

# OVER 10 ARC-FLASH INCIDENTS OCCUR IN THE U.S. EVERYDAY!

Protecting Yourself Against Arc-Flash Hazards

## OSHA Requires You to Protect Your Employees.

Whether you have conducted a hazard analysis or just beginning your research, this 21-minute video will educate your staff on effects of an Arc-Flash incident. Our video will help you understand:

- What is Arc-Flash and why should you be concerned?
- What are the OSHA and NFPA70E requirements?
- What are the protective boundaries?
- What is an Arc-Flash hazard analysis?
- How to reduce hazards?
