

**Littelfuse is Committed to Helping You Meet RoHS and Lead-Free Requirements Worldwide.**

Deadlines are nearing in many countries and Littelfuse is ahead of the curve with a wide range of RoHS compliant and lead-free products. This quick reference sheet enables you to easily look up Littelfuse product series by part number to quickly determine compliance status.

If you don't find the product you are looking for on this list, it is possible that a RoHS compliant version has been developed since printing. We are rapidly working to make more products compliant every day. Please contact Littelfuse for product availability or visit [www.littelfuse.com/lead-free](http://www.littelfuse.com/lead-free) for the most up-to-date product information.
