

Revision Control Record

Rev.	Description of Change	ECN No.	Date
L	ADDED + & -	01029	8/6/91

DETAIL A
SCALE 2:1

- NOTES:
1. ALL STEEL PARTS PLATED
 2. RATING: 20 AMPS PER CIRCUIT, 50 AMPS MAX
 3. PARTS MAY BE ASSEMBLED OR SHIPPED LOOSE

INSULATOR

Tolerances: Unless otherwise specifically noted, the following are standard tolerances:
 1. Unless otherwise specified, all dimensions are in inches.
 2. Unless otherwise specified, all dimensions are in inches.
 3. Unless otherwise specified, all dimensions are in inches.
 4. Unless otherwise specified, all dimensions are in inches.
 5. Unless otherwise specified, all dimensions are in inches.
 6. Unless otherwise specified, all dimensions are in inches.
 7. Unless otherwise specified, all dimensions are in inches.
 8. Unless otherwise specified, all dimensions are in inches.
 9. Unless otherwise specified, all dimensions are in inches.
 10. Unless otherwise specified, all dimensions are in inches.

Standard Units: All dimensions are expressed in inches unless otherwise shown in brackets (in) are expressed in millimeters.

UNIT * as an example: 1/16" = 1.5625 mm (1/16" = 1.5625 mm)

UNIT * as an example: 1/16" = 1.5625 mm (1/16" = 1.5625 mm)

UNIT * as an example: 1/16" = 1.5625 mm (1/16" = 1.5625 mm)

REVISIONS: This Engineering Drawing, and the associated drawings, are the property of Coile Horse Co. and may not be disclosed, reproduced, or in any way transmitted or communicated to any other party without the express written consent of an authorized representative of Coile Horse Co.

DESIGN CONTROL: It is the responsibility of the individual using this drawing to ensure that the noted design revision level agrees with the revision level of the associated drawing (Master Drawing). This is a NON-CONTROLLED DOCUMENT unless otherwise specifically noted.

DO NOT SCALE: Dimensional variation may occur during printing/ reproduction.

DO NOT SCALE: Dimensional variation may occur during printing/ reproduction.

DO NOT SCALE: Dimensional variation may occur during printing/ reproduction.

Key for Special Characteristics:
 1. Critical Characteristics, relating to safety and/or Regulatory Compliance
 2. Significant Characteristics relating to Process Control (SPC)
 3. Control Characteristics relating to Form - Fit - Function as defined by Coile Horse Company and/or the Customer

Note: that the identification of any characteristics as being "Special" does not alter the requirement that all specified dimensions & tolerances must be met.

Note: that the identification of any characteristics as being "Special" does not alter the requirement that all specified dimensions & tolerances must be met.

Note: that the identification of any characteristics as being "Special" does not alter the requirement that all specified dimensions & tolerances must be met.

Note: that the identification of any characteristics as being "Special" does not alter the requirement that all specified dimensions & tolerances must be met.
