

DM Series

Miniature 2 Pole Power Rocker Switches

Description

The DM series miniature 2 pole power rocker switch is commonly found in computers, appliances and electric tools – applications where there is the need for a quick connection and to be sure a device isn't turned on accidentally. DM switches feature quick connect terminals, optional recessed brackets (to prevent accidental actuation) and are double pole in miniature size.

Features & Benefits

- 5 amps to 10 amps
- Quick connect terminals
- Double pole in miniature size
- RoHS compliant

Applications

- Computers
- Appliances
- Electric tools

Agency Approvals

Agency	Agency File Number
	E42363

Notes:

Any models supplied with Q contact material are RoHS compliant. Specifications and materials listed above are for standard switches. For information on specific and custom switches, consult Customer Service Center.

Specifications

Contact Rating	DM61, DM62: GP (general purpose) 10 amps 125 VAC 50/60 Hz T85 10,000 cycles, 5 amps 250 VAC 50/60 Hz T85 10,000 cycles, R (resistive) 10 amps 30 VDC T85 10,000 cycles
Electrical Life	10,000 make-and-break cycles at full load.
Dielectric Strength	1,000 Vrms min. @ sea level.
Insulation Resistance	10 ⁹ Ω min.
Operating Temperature	-20°C to 65°C

Materials

Actuator & Housing	6/6 nylon (UI 94V-2), black.
Movable Contacts	DM6X models: Coin silver, silver plated.
Stationary Contacts and Terminals	Copper or brass, silver plated.
Contact Spring	Music wire or stainless steel.

Ordering Number

To order, simply select desired option from each category and place in the appropriate box. For additional options not shown in catalog, consult Customer Service Center.

DM Series

Miniature Illuminated Power Rocker Switches

Description

The DM series miniature 2 pole power rocker switch from C&K is commonly found in computers, appliances and electric tools – applications where there is the need for a quick connection and to be sure a device isn't turned on accidentally. DM switches feature quick connect terminals, optional recessed brackets (to prevent accidental actuation) and are double pole in miniature size.

Features & Benefits

- 5 amps to 10 amps
- Illuminated LED
- Positive detent
- RoHS compliant

Applications

- Instrumentation
- Industrial
- Office machines

Agency Approval

Agency	Agency File Number
