Supplier certifies they understand United States law prohibits the importation of "[a]ll goods, wares, articles, and merchandise mined, produced, or manufactured wholly or in part in any foreign country by convict labor or/and forced labor . . ." (19 USC §1307). The Uyghur Forced Labor Prevention Act (UFLPA), signed into law on December 23, 2021, reinforces US policy against the importation of goods made with forced labor by applying a presumption that imports of all goods, wares, articles, and merchandise mined, produced, or manufactured wholly or in part in Xinjiang, or by entities identified by the U.S. government on the UFLPA Entity List, are made with forced labor and are

prohibited from entry into the United States. The presumption also applies to goods made in, or shipped through, the PRC and other countries that include inputs made in Xinjiang.

Supplier further acknowledges that the products supplied to Littelfuse were not manufactured, in whole or in part, with forced labor, child labor, or any other form of labor prohibited under U.S. law. - In the event of an inquiry from U.S. Customs and Border Protection verifying compliance with UFLPA and/or 19 USC §1307, Supplier certifies that it will, upon request from Littelfuse, provide detailed production and transportation documents demonstrating the source, manufacture and chain of custody of any goods and each component thereof manufactured by Supplier, its subcontractors and sub-suppliers. Such documents may, at the discretion of Supplier, be provided to Littelfuse or directly to U.S. Customs and Border Protection.
- Littelfuse reserves the right to verify Supplier's compliance with this certification and the U.S. prohibitions against the use of forced labor through internal and external assessment mechanisms, such as self-assessment questionnaires, announced and unannounced on-site independent third-party audits, and worker well-being surveys. Such audits may inspect Supplier's facilities, operations, books and records, and Supplier-provided housing, and may include confidential worker interviews. If any prohibited form of labor is found, Supplier certifies that it will take all necessary corrective actions. If Supplier fails to implement the recommended corrective action plans and does not remedy any act of non-compliance in a timely manner, Littelfuse may, in its sole discretion and without any further obligation to Supplier, suspend purchases, refuse to take delivery under any purchase order and return any goods or services from Supplier until the corrective actions have been implemented, or may terminate its business relationship with Supplier.
- Supplier further certifies its understanding and agreement that the U.S. prohibitions against forced labor found in UFLPA and 19 USC §1307 apply to imported products manufactured, in whole or in part, with forced labor, child labor, or any other form of labor prohibited under U.S. law. Therefore, Supplier acknowledges that the expectations of Littelfuse with regard to compliance with U.S. prohibitions against forced labor apply equally to Supplier's subcontractors and sub-suppliers, and Supplier certifies that it will require compliance with those prohibitions in any contract it may sign, or purchase order it may place, with its subcontractors and sub-suppliers. Supplier certifies that it shall periodically evaluate the facilities and operations of its subcontractors and sub-suppliers providing goods or services used in the manufacture of products sold to Littelfuse to ensure compliance with these legal provisions.
- Supplier agrees to indemnify and hold Littelfuse harmless against any claim, demand, action, proceeding, judgment, penalty, fine, loss, liability, cost or expense (including reasonable attorney's fees) suffered or incurred by Littelfuse and arising out of or relating to representations made and obligations assumed by Supplier pursuant to this certification.

Deliveries shall be strictly in accordance with the schedule set out or referred to in the purchase order or contract and in the exact quantities ordered. In no event shall Littelfuse be liable for any excess goods shipped by Seller. Littelfuse reserves the right at Seller's expense to return goods shipped not in accordance with Littelfuse's order.

Notwithstanding anything contained herein to the contrary, Littelfuse may, at its option, assign or otherwise transfer or pass-through the Product Warranty, in whole or in part, on any particular product or service to any of Littelfuse's customers; whereupon (i) such customer may enforce such Product Warranty against Seller on, in, and for such customer's own behalf, name, and benefit, and (ii) Littelfuse may enforce such Product Warranty against Seller on, in, and for Littelfuse's or such customer's behalf, name, or benefit. Seller shall be responsible for and pay all federal, state, national and local sales, use, income, excise, property, employment, and other taxes incurred or levied on or in connection with the manufacture and/or provision of products and/or services, or relating to Seller's property. Littelfuse shall be responsible only for taxes arising from its ownership of products and/or services delivered by Seller. Seller agrees to indemnify Littelfuse against any loss, liability or expense resulting from Seller's failure to pay taxes, fees, duties, assessments, charges or conditions.

**HAZARDOUS MATERIALS** – Seller

All refunds and other amounts due to Littelfuse hereunder shall be remitted to Littelfuse within thirty (30) days from the date on which they accrue.

**TITLE** – Seller warrants full and unrestricted title for all products and/or services furnished by Seller hereunder, free and clear of any and all liens, restrictions, reservations, security interests, and encumbrances. Seller shall carry on its work and manufacture of products and services at its own risk until the products and/or services are fully completed and accepted by Littelfuse. In the case of any accident, destruction, damage or injury to products and/or services before the final completion and acceptance, Seller shall repair or replace such products and/or services at its own expense and to Littelfuse's satisfaction.

**CANCELLATION** – Littelfuse, at its convenience, may terminate the purchase order or contract in whole or in part at any time by written notice to Seller, without liability to Littelfuse. Upon receipt of such notice, Seller will immediately proceed with the following actions:

(a) stop performing services if and as specified in Littelfuse's written notice; (b) place no further subcontracts or orders except as necessary to complete the non-terminated portion of the purchase order or contract; and (c) comply with instructions of Littelfuse's written notice and any subsequent notices. Littelfuse may at its discretion make an equitable payment to Seller for any services already performed. Termination shall not have the effect of waiving any claims or rights to damages that Littelfuse might otherwise be entitled to.

**DEFAULT** – Littelfuse may by written notice of default to Seller, terminate the purchase order or contract in whole or in part (such termination, a "termination for default") if Seller in Littelfuse's sole opinion; (1) fails to deliver goods or services within the time specified in the purchase order or contract or any extension issued in writing by Littelfuse; (2) fails to make progress, resulting in an endangerment of the performance of the purchase order or contract; (3) fails to comply with or perform any of the provisions of the purchase order or contract; (4) files a petition in bankruptcy, is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors or is liquidated or placed in receivership. Littelfuse's rights to terminate the purchase order or contract pursuant to (1) and (2) above may be exercised if Seller does not cure such failure within 10 days after the notice is sent from Littelfuse specifying the failure. If Littelfuse terminates the purchase order or contract in whole or in part for default, it may acquire, under the terms and in the manner Littelfuse considers appropriate, products or services similar to those terminated, and Seller will be liable to Littelfuse for any excess costs of such products or services. If the purchase order or contract is terminated for default, Littelfuse may require Seller to transfer title and deliver to Littelfuse, as directed by Littelfuse, any (1) completed products and/or services, and (2) partially completed products and/or services that Seller has specifically produced or acquired for the terminated portion of the purchase order or contract. Upon direction of Littelfuse, Seller will also protect and preserve property in its possession in which Littelfuse has an interest. Littelfuse will pay the purchase order or contract price for completed products and/or services accepted by Littelfuse. Seller and Littelfuse will agree on the payment for uncompleted products and/or services that Littelfuse has directed to be delivered to Littelfuse. Littelfuse may withhold from these amounts any sum for damages and losses incurred by Littelfuse. If after termination for default, it is determined that Seller was not in default, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Littelfuse under the Cancellation section herein. The rights and remedies of Littelfuse in this Default section are in addition to those provided by law or under the purchase order or contract.
