- Construction Equipment
- Agricultural Equipment
- Material Handling Equipment
- Commercial Vehicles

Description

Littelfuse Rocker Switches are designed for universal applications within harsh environments. Their mounting, body, and actuator features are designed for ease-of-use and extended product lifecycle.

Rocker Switch accessory kits enable end users to create bezels for switches from the 56027 and/or 58328 series. Parallel snap-in mounting allows any order and combination of switches to be used. Switches are not included and must be ordered separately.

Ordering Information

PART NUMBERS	DESCRIPTION
82159-1	Rocker Switch End Bezel
82159-2	Rocker Switch Middle Bezel
98628	Rocker Switch Panel Cover
