

DOOR PUSH BUTTON SWITCHES

Specifications Overview

Voltage Rating:	5A @ 12V DC PN:9055-08: 20A @ 12V DC
Positions:	2-3 Positions
Housing:	Plated Steel

Description

Littelfuse Push Pull Switches are designed for universal applications within harsh environments. Their mounting, body, and actuator features are designed for ease-of-use and extended product lifecycle.

The Door Push Button Switches provide momentary circuit control commonly used for aperture lighting. These products are designed around control of one or multiple circuits.

Applications

- Construction Equipment
- Agricultural Equipment
- School Bus
- Material Handling Equipment
- Transit and Commercial Vehicles
