DOOR PUSH BUTTON SWITCHES

Specifications Overview

- **Voltage Rating:**
  - 5A @ 12V DC
  - PN:9055-08: 20A @ 12V DC
- **Positions:**
  - 2-3 Positions
- **Housing:**
  - Plated Steel

Applications

- Construction Equipment
- Agricultural Equipment
- School Bus
- Material Handling Equipment
- Transit and Commercial Vehicles

Description

Littefuse Push Pull Switches are designed for universal applications within harsh environments. Their mounting, body, and actuator features are designed for ease-of-use and extended product lifecycle.

The Door Push Button Switches provide momentary circuit control commonly used for aperture lighting. These products are designed around control of one or multiple circuits.
