July 25, 2006

Dear Valued Customer,

Littelfuse is announcing the discontinuation of the following part numbers.

26600001009 – 6x32mm PC Mount Holder (axial lead plug on cap)

26800001009 – 5x20mm PC Mount Holder (axial lead plug on cap)

Littelfuse offers a variety of 6x32mm and 5x20mm fuses. Standard form factors for our fuses include cartridge versions and those that are already pre-assembled with the PC mount holders (axial leads).

In addition, Littelfuse does offer axial leaded fuses in a variety of different formats. Littelfuse has the capability to offer custom forming of the leads as well as various lead lengths.

Please contact your local Littelfuse sales representative to find a suitable product for your needs.

Datasheets for our fuses with PC mount holders assembled are available on our website at WWW.LITTELFUSE.COM

We will accept last time orders for the 26600001009 and 26800001009 until October 31, 2006 with last delivery by April 30, 2007.

If you have any questions, please contact your local Littelfuse representative.

Kind Regards,

Andrew Melnik
