The screenshot shows the Littelfuse.com website interface. At the top, there is a navigation bar with links for Language, Find Authorized Distributors, Contact Us, About Littelfuse, and Partner Login. A search bar is prominently displayed with the text "Enter full or partial part number, keyword, certification #, etc." and a "Search" button. Below the search bar, there are tabs for PRODUCTS, INDUSTRIES, SERVICES, and TECHNICAL RESOURCES. The main content area features a banner for "Cole Hersee Products are on Littelfuse.com" with images of various electrical components and a computer monitor displaying the website. Below the banner, there is a grid of product categories: Switches, Battery Related Products, Solenoids and Relays, Electrical Connectors, Warning Devices, Pilot Lights, Lamps & Sockets, and Terminal Blocks. To the right of the grid, there is a "Commercial Vehicle Technical Center" section with links for FAQ, Glossary, Technical Notes, and a "Click Here to Explore" button. Below the grid, there are tabs for "Information Center" and "Technical Resources". The "Information Center" tab is active, showing a "Cole Hersee Brand" section with links for "Commercial Vehicle Technical Center" and "Vehicle Types". Below this, there is a "Cole Hersee" logo and a large image of a switch. At the bottom, there is a paragraph of text about Littelfuse's acquisition of Cole Hersee in 2010.
