## Features

- International standard packages JEDEC TO-220AB and TO-263AA
- High current handling capability
- MOS Gate turn-on
- drive simplicity

## Applications

- AC motor speed control
- DC servo and robot drives
- DC choppers
- Uninterruptible power supplies (UPS)
- Switch-mode and resonant-mode power supplies
- Capacitor discharge

## Advantages

- Easy to mount with one screw
- Reduces assembly time and cost
- High power density

Min. Recommended Footprint (Dimensions in inches and mm )

TO-220 AB Dimensions

TO-263 AA Outline
