## RoHS Lab Analysis Report and Certification

**Product Description:** SMD150F/33-2920-2  
**Product Number:** RF2285-000

This document hereby certifies that the aforementioned product and all its associated materials, are in compliance with RoHS Directive (EU) 2015/863 of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Furthermore, it is hereby reported that the aforementioned product is composed of the following materials wherein valid Eu RoHS exemptions may be indicated as applicable.

Table 1. Product material composition and applicable RoHS exemption(s)

| ICP ID   | Raw Material Part Number | Raw Material Description | Applicable RoHS Exemption(s) |
|----------|--------------------------|--------------------------|------------------------------|
| ICP-2174 | -                        | Metal Foil               |                              |
| ICP-2179 | -                        | Brass Terminal           |                              |
| ICP-2588 | -                        | PPTC Compound            |                              |
| ICP-2187 | -                        | Solder Paste             |                              |
| ICP-2169 | -                        | Termination - Ni         |                              |
| ICP-2170 | -                        | Termination - Sn         |                              |

**To view the third party RoHS validation report of these materials, see download procedure below.**

1. Go to "ICP Test Report" section in LFBC. (ICP Test report is located below Information Database)
2. Find and download the ICP report using ICP ID in the search box.
